CAMP INFORMATION

Join us for a week in God's creation! This summer, St. Christopher's is partnering with A Rocha, an international non-profit organization which promotes environmental conservation through the lens of the Christian faith. Their summer children's program teaches kids to get up close and personal with nature to learn about our special mandate to care for God's good earth.

As in previous years, campers will be assigned to teams which rotate through worship, story, science, arts, and active living. In response to the feedback we've received from parents and parishioners, we're offering just one week of camp this summer, with the option to attend for either a full day or a half day.

Kids who come for a half day of camp will learn and play from 9-12 as in previous years. Those who stay for the full day will bring a bag lunch and stay until 4pm. The afternoons will be an extension of the morning, with opportunities to explore the day's theme in greater depth. We'll go to the park, visit a farm, and explore plant life at the Royal Botanical Gardens. Leaders will be asked to come from 8:30-4:30 each day in addition to one or two days of training in advance (further opportunities for advanced planning will be available for those who are interested).

We're looking for camp leaders who are fun, engaging, and committed to exploring the faith with kids. If you're entering grade 9-12 and want to spend a week playing in nature with kids, we want to hear from you! As a thank-you for their time and investment, teen leaders will receive honorariums of $200 (entering grade 9), $250 (entering grade 10), $300 (entering grade 11), or $350 (entering grade 12 or university).

What is valuable to you about the Christian faith and why?

Which of these are most interesting to you (please number 1-7)?

___ active play, sports
___ making food
___ acting, public speaking
___ crafts, decorations
___ being outside, nature
___ science, experimenting
___ organizing details

Do you prefer working with kids (circle one):

- ages 4-7
- ages 8-10
- ages 11-13
- doesn't matter

St. Christopher's places the utmost priority on the protection and care of children. Are you willing to submit to a vulnerable sector background check and a training session on child safety?

What is your philosophy of leadership (ie, what does it take to be a leader and what makes some leaders better suited to work with children than others)?

Please name and provide contact information for two references who can speak about your leadership qualities and experience.
